

# Ski for Success

**Centre of Ski Excellence at West Herts College**

**West Herts College**

and

**The Snow Centre Hemel Hempstead**

have joined forces to offer a truly unique  
and exciting *new* course

Starting September 2010

Combine your passion for skiing with  
academic qualifications

## **Centre of Ski Excellence qualifications:**

- First Diploma in Sport – 1 year – course code 0279
- National Award/ Certificate in Sport – 1/2 years – course code 0371

## **What can I do next?**

There are a number of study and career opportunities open to you following the completion of your qualification. You can enter the world of work as a ski instructor and work in the sports or leisure industry or continue your studies with a Foundation Degree in Sports Studies at the College.

**For more information and to apply call us now on 01923 812345**

Enrolment to The Centre of Ski Excellence will be based on academic qualifications and personal skiing performance.

Please contact West Herts College to discuss your eligibility and to attend an assessment.

Watford Campus

The Snow Centre

We are delighted to be working with The Snow Centre on this project – it is an exciting and innovative addition to the courses West Herts College offers in sports.

We know The Snow Centre’s pedigree and reputation for delivering quality Snow Sport experiences and look forward to working with them on this positive academic and practical partnership .

**Roger Parker – Head of School for Sport**

The introduction of this new Ski School of Excellence will provide, what we believe is, a unique experience that enables students to further their academic studies combined with practical skiing experience.

You will also have opportunities to gain nationally recognised ski teaching qualifications which can lead to employment opportunities within the snow sport industry.

**Rod Ferguson – Ski School of Excellence Tutor**

## What will you receive?

BTEC Level 3 National Certificate or Level 2 First Diploma in Sport

Training sessions delivered by UK Snow Sports and BASI qualified tutors and coaches

Work experience at The Snow Centre

Opportunities to take part in European snow resort residential trips
